

We take turns and share:
 During conversations
 When we are playing
 When we go on a trip
 When we play games with our friends

We are polite:
 We say please and thank you
 We respect our toys
 We help our friends to tidy up

We learn about some of the different artists and music we enjoy in the UK

Monet Van Gogh Bangra Music
 Reggae Rock Classical Folk

We learn to listen:
 We wait for our friend to finish before we speak
 We have quiet voices inside
 We listen to music
 We listen to stories and poems

We are kind and gentle:
 We play and are kind to our friends
 We have helping hands
 We remember to walk inside
 We learn that although we might look different from others, inside we are all the same
